MAC Application (Money Access Card Application)

To enjoy the convenience of the MAC network, simply fill out this application and fax or mail it back to us today. It won't take long because we just need some basic information. And remember, one application is all it takes to enjoy MAC where you live, work, shop or play.

MAC Is Fast, Easy and Convenient

Once you receive your MAC card and select your 4-digit Personal Identification Number, you can begin using MAC to withdraw cash and check your checking account balance. There are thousands of convenient locations to choose from any time of the day or night. Why wait in line to do your banking? Snap your MAC!

Your Personal Identification Number (PIN)

Please select four numbers or letters (no Q or Z) and record them below. Memorize these numbers or letters. Your PIN is a safety measure so that only you can gain access to your account(s). Both the MAC card and your PIN are needed to use MAC machines and make purchases.

For Your Protection

You should keep your PIN a secret as a precautionary measure. Should your card become lost, notify us immediately by calling the number indicated in the cardholder agreement.
